A full-body photograph of a shirtless Black man with dark, curly hair. He is standing against a solid pink background. His torso is well-defined, showing his chest, abdominal muscles, and a six-pack. He is wearing black boxer shorts with a white graphic print featuring a repeating pattern of interlocking chains and what appears to be a bird or dragon motif. He is looking directly at the camera with a neutral expression. His right hand is resting on his right thigh, and his left hand is resting on his left thigh.

I AM MYSTERIOUS

Keep the mystery alive.

EXPLAINING FIBERS

LYOCELL

*EXTRA HANG TAG

TENCEL™ is a trademark of Lenzing AG

Produced in Lyocell, a fiber extracted from wood in a sustainable manner. Softer than silk and cooler than cotton. With antibacterial properties, Lyocell allows the skin to breathe, providing the comfort of a second skin tailor-made for a more sustainable future.

Produit en Lyocell, une fibre extraite du bois de manière durable. Plus doux que la soie et plus frais que le coton. Avec des propriétés antibactériennes, le Lyocell permet à la peau de respirer et offre le confort d'une seconde peau faite sur mesure pour un avenir plus durable.
